## OBJECTIVE

Highly skilled and motivated web developer with over 3 months of experience in designing and developing user-focused, visually appealing, and interactive websites and web applications. Proficient in front-end technologies such as HTML, CSS, JavaScript, and modern frameworks like React. Adept at creating responsive and mobile-friendly layouts to ensure optimal user experiences across devices.

## WORK EXPERIENCE

### Junior Developer trainee - Web Development

April 2023 - July 2023

During my time at GR-Infotech, Chennai, I worked as a Junior Web Developer and actively participated in live projects. Through these experiences, I gained valuable skills in handling various types of projects and understanding the nature of each project.

## PROJECTS

- Created my own personal portfolio using HTML, CSS and Javascript.
- Created User Management System in Reactjs
- Designed a Social Media Website UI using Reactjs
- Created Tax invoice pdf generator using Reactjs
